

WHITMAN LOSES TO OREGON AGGIES HOOVER STARS WITH 55-YARD RUN

Inexperience and Lack of
Weight Result in Loss of
First Game for Varsity,

TRIXIE IS INJURED EARLY

Triple Passes and a Heavier
Team Too Much for the
Whitman Squad.

Inexperience and lack of weight resulted in a 35 to 7 defeat of the varsity at the hands of the Oregon Agricultural College team. Inability of a green back field to solve the Aggies' formation of forward passes resulted in the scoring of three touchdowns in the second quarter after Whitman had played even with the Aggies for the first quarter.

With an ideal day and a perfect field on which to play the team has no excuses to offer except light weight and newness to the game. Hard luck was encountered in the first few minutes of play when Trix McDonald collided with a big Aggie and was put out of running for the rest of the game, making it necessary for a change to be made in the back field.

From all reports the Aggie team is better than ever and have heavy and fast men all the way around. The light Whitman line was unable to hold the plunges of the heavy Oregon back field and failed to make consistent yardage at any time except in the third quarter,

when things were even all around.

In the first quarter the Aggie team put the ball over after a few minutes of play. The game continued with Whitman holding the Oregon team for downs and forcing them to punt. At this period Hoover, catching the punt on the 53-yard line, pulled off his annual long run and dodged through the scattered field for a touchdown. Hoover kicked goal.

In the second period Oregon opened up with their trick forward pass formations consisting in the main of a complicated triple passes and slipped over three touchdowns before the Whitman team solved the play.

In the third quarter honors were even and it was at this time that Whitman made the most consistent yardage during the game, advancing the ball to O. A. C.'s 12-yard line. Here again the lack of weight with which to punch the opponents' line became evident and the team was held for downs. In this quarter Hoover as a last resort tried a place kick from the middle of the field but the ball fell short.

In the last quarter the Aggie team again put the ball over, this time with the aid of fresh men in the back field. Triple pass by the Oregon team failed in this quarter. Hoover started a rally with runs of eight and ten yards around end, the quarter ending with the ball in the middle of the field.

Although defeated by a large score the team gained much experience that will prove of great value in the coming games, and did as well as could be expected against a team of heavy veterans, undoubtedly the best team that the Aggies have had in years and a team that bids fair to sweep the conference this year.

Billie and Abraham were the chief ground gainers for Oregon, while Hoover made almost all the yardage for Whitman, but was unable to puncture the heavy Aggie line consistently with the light interference offered. Yedica made some yardage on forward passes.

The line-up was as follows:
